

NDARECs
 North Dakota Association of Rural Electric Cooperatives
 Your Touchstone Energy® Cooperative

2025 NDAREC ASSOCIATE MEMBER PROGRAM

Our vision is an indispensable network of member-cooperatives that enriches the lives of their consumers and the communities in which they live.

Our Member Connection

NDAREC serves 17 electric distribution cooperatives and five generation and transmission (G&T) cooperatives.

North Dakota's electric cooperatives power the lives of 153,810 member-owners with an average system reliability of 99.75%.

The distribution cooperatives all operate as non-profit, member-owned enterprises.

NDAREC is a Touchstone Energy® Cooperative and upholds the Touchstone Energy core values of accountability, innovation, integrity and commitment to community. As a Touchstone Energy Cooperative, we are part of the largest electric utility network in the nation.

More than 2,400 co-op employees work for electric cooperatives.
